

How to - Step by Step Google Slides Project

You are going to create a Google Slides presentation based on a “How to” topic. Your Slides should contain a minimum of 7 slides including your title slide so there will be at least 6 or more steps in your process. You may use more slides if needed. Choose a topic from the list below on Sign Up Genius to create your project.

How to brush your teeth

How to wrap a present

How to make a sandwich

How to give a dog a bath

How to clean your room

How to bake a cake

How to tie your shoelaces

How to wash clothes

How to pump gas

How to hand wash a car

How to make a salad

How to play/win a video game

How to make up a bed

How to pack a suitcase for a trip

How to change a tire

How to be a good friend

How to solve the Rubik's cube

How to draw a simple picture

How to cook something (i.e tacos, hamburgers, spaghetti, etc. - you choose)

How to play a game (you choose the game)

How to play a sport (you choose the sport)

How to do a magic trick (you choose the trick)

Instructions:

File name: First and Last name - How To Slide Project

Slide 1 - Title Slide: In the center, type in large easy to read font, your title (topic from previous page). Beneath it in a smaller font size, type your first and last name. Include a picture of the finished How to topic.

Slide 2 - Step 1: Type "Step 1" and give instructions. Add a picture of step 1's process.

Slide 3 - Step 2: Type "Step 2" and give instructions. Add a picture of step 2's process.

Slide 4 - Step 3: Type "Step 3" and give instructions. Add a picture of step 3's process.

Slide 5 - Step 4: Type "Step 4" and give instructions. Add a picture of step 4's process.

Slide 6 - Step 5: Type "Step 5" and give instructions. Add a picture of step 5's process.

Slide 7 - Step 6: Type "Step 6" and give instructions. Add a picture of step 6's process. If this is the final step, be sure to mention that in your final instructions. For example: And finally, ...

Continue with more steps if needed to complete your How to.

When you have finished, be sure to double and triple check your slides for capitalization, punctuation, grammar, and spelling. I will be checking for these things as well.

Be prepared to present in class. Share your Slides presentation with Mrs. Brister.
